Newsletter

Friday 3rd February 2023

Dear parents and carers,

Thank you to all the children for being so enthusiastic with Numbers Day. There has been maths in all areas of the school, inside and outside. Most of the classes through the week, made cakes and cookies for our sale after school.

So far we have raised £53.30 for NSPCC from our non uniform day.

We will be taking part in 'Children's Mental Health Week' from Monday 6th February to Friday 10th February. The theme this year is 'Let's Connect'. At the beginning of the week, we will have a whole school assembly. Throughout the week, classes will have age appropriate lessons to support their own mental health and on Friday 10th, we would like all the children to come in clothes that express themselves. (no money required)

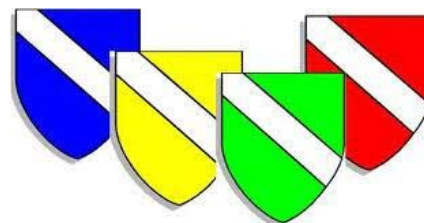

The Year 5/6 netball tournament is in the final week. All teams have been fully committed to taking part and have done extremely well so far. There are only 2 points between the top two teams. A full report will be given for the first week back and where will celebrate by revealing the winning team.

The library has been refurbished and now used by all the children in school. We have over 3500 books in school, with a over 200 picture books for all ages. The librarians are doing an excellent job of recommended many of our new titles and the buzz about authors and books is evident through school.

If you have any pictures of reading in unusual places, please email them to Lfiggins@porthleven.cornwall.sch.uk so that they can be added to our library display.
