Scholastic Book Fair

We have ordered everyone's books and they will be with us at the latest on Wednesday. From the book fair, the school has been rewarded £96 worth of books for our library

Thank you to all those who purchased books from our visiting author, Scott Jones. He will keep us informed of the next book launches and enjoyed it so much that he would love to come back and work with the children on developing their own book ideas. A big thank you to the Porthleven School PTA who purchased 5 copies for the school.

Pasties were taken down the mines by the adults and children who worked there; the shape and size made them ideal for carrying. It's distinctive D shape with the crust acting as a handle, which was discarded to prevent contaminating the food with grubby, possibly arsenic-ridden hands.

At Proper Cornish we are passionate about quality pastry, filled with great tasting ingredients, made properly in Cornwall for people who love food.
 We are passionate and honest about where our ingredients come from. At Proper Cornish, we believe in supporting our local farmers. Our swede comes from Hayle, courtesy of Trevor Goldsworthy's family run farm, our potatoes come from third generation farmer Chris Duallow from Par and our onions are grown by Anthony West of Toppoint. Cornwall grows some of the highest quality produce in the world, so why go anywhere else?
